NOTIFICATION.

FORT. ST. GEORGE, NOVEMBER 1, 1917.

No. 448.—The following Press Communiqué is published for general information:—

PRESS COMMUNIQUÉ.

In order that arrangements for manufactury be made in the United Kingdom and that total requirements may be correctly estimated, the Indian Munitions Board requires that all firms having Government orders necessitating the use of tin plates should forward to the Board at Simla, before the 10th November, a statement containing the following information: (1) Stock of tin plate in hand (2) Orders already placed in the United Kingdom including stocks en route. (3) Estimated balance required from the United Kingdom by 30th of June 1918 to complete existing Government contracts (4) Name of Government department or official by whom contract has been placed, with sufficient details of the contracts for identification with returns made officially. All quantities should be given in tons. No information regarding sizes of gauges of plates is required.

(By order of His Excellency the Governor in Council)

A. R. KNAPP,
Acting Secretary to Government.

MADRAS: PRINTED AND PUBLISHED AT THE SUPERINTENDENT, GOVERNMENT PRESS.
